Standard Job Description

<u>Job Title</u>	<u>Department</u>
Consultant (Physician)	Emergency Medicine Administration

Job Summary

The Consultant Physician provides high quality Emergency Medicine care for patients presenting to the Emergency Department, effective supervision for all medical staff on duty in assigned areas, and to provide guidance and teaching for house staff, physician assistants and students rotating through the department. Responsible for all medical staff actions and all patients seen in assigned areas while on duty. Additionally, perform non-clinical functions as assigned by Chairperson and/or Divisional Director, usually in the areas of Research, Education, Toxicology or Administration.

This position is exempt from Career Service under the CCHHS Personnel Rules.

Typical Duties

- Treats patients primarily who present for care in the Emergency Department
- Provides appropriate supervision to ensure quality patient care is provided by resident staff, physician assistants and students in the Emergency Department. Provide overall supervision of all the cases seen in the area
- Provides appropriate medical care, appropriate discharge planning, appropriate decisions regarding admission of patients to various services, appropriate laboratory and x-ray procedures are ordered, and ensure overall quality of patient care in the area
- Ensures efficient flow of patients through the Emergency Department. Laboratory and x-ray studies should be retrieved in a timely manner and decisions made to discharge or admit patients as rapidly as possible, while ensuring patient quality is maintained
- Follows and enforces existing policies and protocols in the department
- Serves as a role model to all house staff/students and must be present, at all times, both for appropriate manner of providing patient care, contact with the family, and contact with ancillary personnel including nursing staff and staff from other services
- Provides leadership in the department while on duty and resolve administrative issues according to policies and procedures which are established
- Responds to requests from nurses and other emergency department personnel for patient evaluations and decisions regarding care
- Completes non-clinical functions as assigned by Divisional Director or Chairperson of Department
- Attends faculty meeting and departmental conferences as directed by Chairperson of Department
