ADDENDUM NO. 3

June 8, 2023

Title: **Technical Endoscopy Services, Cleaning and Disinfection**
RFP # H23-0004 Repost

1. General

This addendum revises RFP documents. This addendum is issued to respondents of record prior to execution of contract and forms a part of contract documents and modifies previously issued documents. Insofar as previously issued contract documents are inconsistent with modifications indicated by this addendum, modifications indicated by this addendum shall govern. Where any part of the contract documents are modified by this addendum, all unaltered provisions shall remain in effect.

2. Addendum Acknowledgement Form

Acknowledge receipt of this addendum in the space provided on the Addendum Acknowledgement Form. Proposers must include the signed form with their response. Failure to do so will subject Proposers to disqualification.

3. Changes and Clarifications

A. **Response to questions received on or before May 4, 2023**

4. Attachments

A. **Exhibit 1 - List of Endoscope**

Responses to Vendor Questions

	Question	Response
1	What are the expectations for off-hour/holiday coverage?	Vendor must have off-hour/holiday coverage.
2	What is the monthly volume of scopes processed? Please provide a 12-month history if possible	Please refer to the monthly volumes described in the RFP. Stroger volume was 9,400.00 and Provident's volume was 1,560 in 2022.
3	Is there block scheduling by the provider?	Yes, block scheduling per procedure.
4	What is the organization's goal for revenue/procedure growth in endoscopy over the next five years?	CCH has a significant push for procedural growth. Surgical growth endoscopy is expected at the Provident location.
5	Please provide a complete list of unique endoscope models and equipment to be covered under this contract	See Exhibit A in this Addendum 1. A complete inventory list will be provided to the awarded vendor.
6	What metrics will be used to measure success after implementation?	Please refer to the metrics described in RFP. See Required Endoscopy Services with 100% Compliance.
7	What value-added services are important to ensure all scopes and equipment are procedure ready?	To ensure all scopes and equipment are ready value-added services should be 24/7 coverage.
8	What frequency of support? Include but not limited to Routine PMs, process evaluations, departmental evaluations, analysis of preventable repair to drive down cost, staff education on proper care and handling, etc.	CCH needs awarded vendor to provide yearly competencies by a trained educator from vendor with initiatives to reduce repair during contract term. See RFP scope under Endoscopy Services.
9	Will there be opportunities to offer additional endoscopy services or products?	Yes, there is an anticipated growth plan at Provident. Intra-service line will begin within Provident.
10	What is the timeline for implementation of the awarded contract?	A minimum implementation timeline of 30 days. It is contingent based on contract negotiations.
11	Are there any services desired outside those listed in section 4.3 of the RFP?	All desired services are defined in Section 4.3 of the RFP.
12	Who will be the primary point of contact for this project?	The CCH User Dept will become the primary point of contact after a contract following the execution of the awarded contract.
13	What is the decision-making process for this project?	Refer to the RFP.
14	Who is/are the primary decision maker(s) for this project?	Refer to the RFP.

	Question	Response
15	What criteria will be used to evaluate the proposals and select a winning vendor?	Refer to the RFP.
16	How will the success of this project be measured?	The success will be measured by a proposal meeting all the required metrics and KPI's referenced in this RFP.
17	Who are the primary stakeholders for this project?	The primary stakeholder are Perioperative Services, Department of Surgery, Endoscopy, and Clinic R.
18	Is there a preferred vendor list for this project? i.e., Vizient contract	No
19	What pricing structure is preferred (monthly fee, per procedure, or per scope)	CCH requests a per scope price structure.
20	Can we submit the electronic submission via a link through SharePoint?	No
21	Do you still want the hard copy version of the RFP? If so, where do we send it and to whom?	A hard copy of a proposal is not required. Proposals are accepted by Procurement electronically via email to purchasing@cookcountyhhs.org .
