

TRANSPORTATION

- Public transportation: 50 Damen CTA Bus (Damen and Harrison stop), CTA Blue Line (Illinois Medical District stop)
- Parking: Available on site for \$5

NEED A RIDE?

If you are a CountyCare member or have health coverage through Medicare and you need a ride to your appointment, call 312-864-RIDE (7433) to schedule a ride. 24-hour notice is required.

Many Medicaid health plans offer free rides. If you have coverage through another health plan, call your insurer to see if you qualify.

COOK COUNTY HEALTH

BRIDGE CLINIC

**Rapid SUD Care and
Recovery Support Services
at Cook County Health**

SERVICES OFFERED

- Integrated addiction treatment with a prescriber and recovery coach
- Primary and specialty care services:
 - Primary care
 - Psychiatry and behavioral health care, including counseling
 - Maternity care
 - Dental care
 - Hepatitis treatments
- Screening for sexually transmitted diseases (STD's)
- Birth control
- HIV prevention with PrEP
- Lab tests
- Pharmacy access for low or no cost medications
- Financial counseling
- Linkage to other substance use treatment and support services including residential, intensive outpatient, peer support, methadone clinics and recovery homes

The Bridge Clinic at Cook County Health is YOUR ENTRY POINT INTO RECOVERY.

The Bridge Clinic at Cook County Health offers rapid treatment for patients struggling with addiction and quick access to evaluation and treatment.

We provide rapid access to medication for addiction treatment (MAT) through in-person visits or telemedicine. Our team can also connect you with a primary care doctor or specialist and other substance use treatment and support services you may need. After starting MAT, our team will support you to connect to ongoing care closer to home at one of our 12 health center locations in Cook County.

Commonly Prescribed Medications

- Buprenorphine [Suboxone™, Brixadi™ Zubsolv™, Sublocade™] for opioid use disorder
- Naltrexone [Vivitrol™] for opioid and alcohol use disorder
- Naloxone [Narcan™] for opioid overdose
- We do not offer methadone treatment but will make a referral when appropriate.

WAYS TO HELP

Walk-ins welcomed or request appointment by:

Email: bridge@cookcountyhhs.org

Phone: **312-864-4MAT (4628)**
