COOK COUNTY HEALTH
ENCEWOD HEALTH CENTER
Your Medical Home

A team-based approach to providing compassionate care to you and your family

Doctors, nurses, and medical assistants are your partners in caring for you and your family’s health and wellness.

PARKING AVAILABLE
WELL-WOMAN CARE

We offer full medical services for every phase of a woman’s life – from teenage years to menopause.

- Pregnancy testing
- Gynecological exams
- STI testing and treatment
- Family planning contraceptive services
- Breast and Cervical Cancer screenings
- Mammogram referrals
- Menstruation and Menopause care

Our team is here to provide general gynecology services for prevention and to maintain good health. We recommend you see your provider for annual check-ups starting in your teens.

PEDIATRICS

Children should see their pediatrician yearly for a physical exam to check developmental milestones and receive their required vaccinations. Our health center also offers school and sport physicals. When your child is sick, we are here for you. Same day appointments available.

Well-child Visits
- School and sports physical exams
- Growth and developmental milestones
- Immunizations

Adolescent Services

Pediatric Specialty Care Needs
- Pediatric specialty services are located at Stroger Hospital, referrals can be obtained by your Englewood pediatrician.

Common Reasons for Sick visits:
- Fever above 101°
- Lingering coughs
- Pain when urinating
- Persistent colds
- Frequent diarrhea
- Continual vomiting
- Rash
- Breathing problems
