WELL-WOMAN CARE

We offer full medical services for every phase of a woman’s life – from teenage years to menopause.

- Pregnancy testing
- Gynecological exams
- STI testing and treatment
- Family planning contraceptive services
- Breast and Cervical Cancer screenings
- Mammogram referrals
- Menstruation and Menopause care

Our team is here to provide general gynecology services for prevention and to maintain good health. We recommend you see your provider for annual check-ups starting in your teens.

PEDIATRICS

Children should see their pediatrician yearly for a physical exam to check developmental milestones and receive their required vaccinations. Our health center also offers school and sport physicals. When your child is sick, we are here for you. Same day appointments available.

Well-child Visits

- School and sports physical exams
- Growth and developmental milestones
- Immunizations

Adolescent Services

- Pediatric specialty services are located at Stroger Hospital, referrals can be obtained by your Sengstacke pediatrician.

Common Reasons for Sick visits:

- Fever above 101°
- Lingering coughs
- Pain when urinating
- Persistent colds
- Frequent diarrhea
- Continual vomiting
- Rash
- Breathing problems

PRENATAL CARE

Obstetrics (OB) provides complete care for pregnant women.

- Pregnancy testing
- Routine prenatal exams and pregnancy care
- Care for high risk pregnancies
- Breastfeeding support
- Ultrasound services
- Fetal heart rate monitoring services
- In hospital labor and delivery care
- In hospital newborn care

We can help guide you to a healthy, safe delivery at Cook County Hospital. After your baby is born, we can continue to help care for you and your baby, so you feel confident as a mother here at Sengstacke Health Center.

WIC PROGRAM

Women, Infants and Children (WIC) is a food supplemental and nutrition education program for pregnant women, new mothers and young children to promote healthy eating and diets.

WIC provides:

- Nutrition education for individuals, in group sessions and online
- Breastfeeding Support
- Special Formulas
- Referrals

Food coupons that are good for healthy foods including:

- 100% Fruit juice
- Baby food
- Canned fish
- Cereal
- Cheese
- Eggs
- Fruits
- Infant formula
- Milk
- Peanut butter
- Vegetables
- Whole grains

WIC services are offered at the following Cook County Health locations:

- Arlington Heights - 847.506.4005
- Stroger Women’s Health – 312.864.6100
- North Riverside - 708.793.9800
