

# Provident Scholarship Fund 2025

Application Open: April 18th

Applications Due: May 18th

The Provident Scholarship Fund builds on Provident Hospital's rich history, dating back to founder Dr. Daniel Hale Williams, to uplift and support diversity in health care. The Provident Scholarship Fund is a collaboration between Cook County Health, the Cook County Health Foundation and Cook County government and its Project Rainbow initiative which aims to inform, impact and inspire students and families across the County. Scholarships will support awardees who are from, and dedicated to serving, underrepresented communities in Cook County.

"I am grateful and indebted to this city and this fund—not just for myself, but for the countless future doctors who will walk this same path, made a little smoother by your generosity. Your donations don't just fund education; they fund hope."

Khadijah Olowu, Health Professional Scholarship Recipient

## Health Professionals Scholarship **\$20,000**

The Health Professionals Scholarship provides scholarships to medical students and students in graduate-level clinical and behavioral health academic programs. Students are eligible for an award of \$20,000.

## Allied Health Scholarship **\$10,000**

The Allied Health Scholarship provides awards to individuals pursuing allied health careers such as: nursing, behavioral health, and students in select qualified certification programs. Students are eligible for an award of \$10,000.
