

# **2022 BENEFITS OVERVIEW**

The Employee Benefits Division of the Department of Risk Management connects you to your County-sponsored employee benefits.

The 2022 Benefits Overview provides important information on the wide range of benefits offered to County employees to assist in your physical and financial health and well-being.

Please carefully review the information in this document and at cookcountyrisk.com.

# September 1

# **Benefits Eligibility**

Benefits coverage is effective the first day of the month following your employment date.\*

- Eligible employees include:
  - Full-time employees
  - Part-time employees
  - Employees on an approved leave of absence
  - COBRA participants
- Eligibility status impacts required contributions
- Dependent benefits are extended to a spouse, domestic partner or civil union partner. If both you and your spouse or partner are Cook County employees, all family members must be covered under one enrollment
- Documentation of eligibility is required:
  - Spouse/partner: government-issued marriage certificate or domestic partner/ civil union certificate
  - Child: government-issued birth certificate, and if applicable, adoption certificate or legal guardian form
- Children up to age 26. Military veterans may be covered up to the age of 30 with a DD214 form, proof of Illinois residency and a release or discharge (other than a dishonorable discharge)

- Pursuant to collective bargaining agreements, union employees must select the medical HMO plan and dental HMO plan during their first year of employment. Plan changes may only be made during the next annual Open Enrollment period
- All benefits except basic group term life insurance require completion of enrollment.
   You must enroll in flexible spending during
   Open Enrollment to have coverage for the next plan year

Enrollment requires using Employee Self Service (ESS). Required documentation must be scanned and uploaded to ESS to complete enrollment for dependents. For assistance with logging into ESS, employees should contact their agency's technology desk.

<sup>\*</sup>Basic group term life insurance coverage is effective for eligible employees the first day of employment.

# **Qualifying Life Events**

Open Enrollment is the annual period available to make changes to your benefits. A Qualifying Life Event (QLE) is required for you to request changes to your benefits outside of the Open Enrollment period. You can enroll, add, or remove dependents, change plans, or enroll in/make changes to a Flexible Spending Account within 31 days of any of the following QLE events:

- · Employment date
- Marriage, establishment of a civil union
- · Birth, adoption or obtaining legal guardianship of a child
- Loss of other coverage eligibility for you or your dependent(s) for reasons such as legal separation, divorce, death or termination of employment
- A change in employment status significantly impacting the employee contribution rate

Changes must be completed through Employee Self Service (ESS) within 31 days of the QLE. Appropriate dependent documentation must also be uploaded within 31 days. Newborn birth certificates must be uploaded within 45 days.

Enrollments not completed within the designated time frame will not be accepted. The next opportunity to enroll will be the following Open Enrollment period.

If you are not currently enrolled and your QLE does not include a dependent change, please send an email to <a href="mailto:risk.mgmt@cookcountyil.gov">risk.mgmt@cookcountyil.gov</a> to set up your eligibility to enroll in ESS.

Enrollments cannot be entered more than 31 days after the QLE and will not be processed.

# **Benefits Termination Date**

Benefits coverage terminates on the last day of the month in which you are employed or become ineligible for coverage.

The Consolidated Omnibus Budget Reconciliation Act (COBRA) allows employees and/or their eligible dependents to continue specific insurance benefits after termination of employment or when a dependent has a change in status that results in loss of eligibility.

For election information and rates, go to cookcountyrisk.com and select Termination/COBRA.

Note: Effective 12/1/21, The County PPO plan will incorporate a Cook County Health tier ("Domestic Tier") wherein covered members will have lower out-of-pocket costs when choosing to access health care within CCH facilities. Facility charges will be 0% after the annual plan deductible is met. Hospital-based facility services not obtained at CCH will be paid based on their network status (in or out of network rate).

# **Calculating Your Contributions**

This chart shows your cost as a percentage of pre-tax standard salary based on plan selected and family members you elect to cover.

	НМО	PPO
Employee only	1.5%	2.5%
Employee + spouse	2.0%	3.0%
Employee + child(ren)	1.75%	2.75%
Employee + family	2.25%	3.25%

Employees working less than 30 hours/week may contribute at a different rate.

Employees on an approved leave of absence remain responsible for their regular payroll contributions when billed.

Employees on a personal leave of absence are responsible for paying the full County cost for continued coverage.

Note: The cost and benefits described here are subject to the collective bargaining process and Cook County Board approval.

When you enroll in a medical plan, you automatically receive pharmacy benefits coverage through CVS Health. Prescriptions can be purchased through your local in-network pharmacy or through mail order. CVS Health pharmacy can also be accessed in all Target stores that offer pharmacy services.

	30-day supply at retail	90-day supply
Generic	\$15	\$30
Formulary brand on the drug list	\$30	\$60
Non-formulary brand not on the drug list	\$50	\$100

You will save money by purchasing generic drugs rather than brand-name drugs. Generic step therapy and mandatory maintenance choice requirements may apply to medications you or your dependents are taking. See <a href="https://www.cookcountyil.gov/service/employee-benefits-prescription-drug-benefit for further explanation of these requirements.">https://www.cookcountyil.gov/service/employee-benefits-prescription-drug-benefit for further explanation of these requirements.</a>

Generic Step Therapy: The program requires members to use up to two generic alternatives in certain drug classes before a brand will be covered. A grace period may be provided for existing prescriptions.

Mandatory Maintenance Choice: After two fills, all maintenance medications must be filled in a 90-day supply through mail order or at a CVS Pharmacy.

Note: If you choose to buy a formulary brand (on the drug list) or non-formulary brand (not on the drug list) when a generic substitute is available, you will pay the generic copay plus the difference in cost between the generic and the full retail formulary brand or non-formulary brand drug cost.

# **Group Term Life Insurance Plan**

metlife.com/mybenefits

Group/Customer # 227860

**Customer Service: 1-866-492-6983** 

Cook County provides basic group term life insurance to full-time employees in an amount equal to their annual standard salary rounded to the next highest thousand dollars. Basic group term life insurance is provided at no cost to the employee. This coverage pays a cash benefit in the event of your death to a beneficiary (or beneficiaries) you designate. It is important to keep your beneficiary information current. Coverage can be ported or converted upon termination of eligibility.

When you are estimating your healthcare and dependent care expenses for the year, keep in mind that you can enroll in a Flexible Spending Account (FSA) to pay for eligible expenses.

When you enroll, you decide how much you will set aside from your pay before taxes. Review the differences between the two types of accounts.

### **Healthcare FSA**

Use Healthcare FSA funds to pay for a broad array of eligible health expenses (such as deductibles, copays, dental and vision care, and prescriptions) incurred by you or your eligible dependents. The maximum healthcare FSA contribution for 2022 is \$2,750 and must be used by March 15, 2023. All claims must be submitted by March 31, 2023.

## **Dependent Day Care FSA**

If you pay to care for dependents while at work, use Dependent Day Care FSA funds to cover eligible expenses for dependent day care, babysitting, nursery school and senior day care. You can set aside up to \$5,000 for 2022 to help with dependent day care costs. You must submit claim forms for dependent day care FSA reimbursement of funds deposited to your account and must be used by March 15, 2023. All claims must be submitted by March 31, 2023.
