I. INTRODUCTION

This Cook County Health and Hospitals System ("CCHHS") Employment Plan (the "Employment Plan") was prepared as required by the Supplemental Relief Order that was agreed to by the Board on November 29, 2006, and approved on February 2, 2007, in *Shakman et al. v. CCHHS Employment Plan
Effective 10.20.14

2. NPCC. All Employees who have access to and/or use ATAS will be required to execute an electronic NPCC when taking any Employment Action using ATAS.

3. Monitoring of ATAS Activities. The EPO and the OIIG will have full and continual access to review and monitor all hiring activities of Employees using ATAS in real time in order to assure policies and procedures are being followed and to assist in any investigation of violations.

P. Ineligible for Rehire List. The Chief of DHR, or his or her designee, will maintain a list of individuals (the "Ineligible for Rehire List") who were previously Employees and who are disqualified or ineligible for employment with CCHHS based on the reasons listed in the CCHHS Personnel Rules (Rule 3.04(b)(1), (5), (6), (8), (9), (10), (11), (12), (13), (14) and (15), violation of Section 44-54 or Section 44-56 of the Cook County Code of Ordinances) which would include individuals who have been terminated, discharged, or resigned in lieu of discharge as a result of a finding related to Unlawful Political Discrimination or engagement in a prohibited political activity. Individuals added to the Ineligible for Rehire List will be given notice by the Chief of DHR or his or her designee prior to being added, which notice will include a copy of the applicable Personnel Rule(s). Such individuals, except those employees that are exempt from Career Service may appeal the decision to the Employee Appeals Board within 30 days of the date the notice is sent by making a written request for a hearing to the Employee Appeals Board. Unless reversed by the Employee Appeals Board, such individuals will remain on the Ineligible for Rehire List for five years.

The Ineligible for Rehire List will include the following: name of the former Employee; title of last Position; reason for placement on the Ineligible for Rehire List (i.e. "Termination Disciplinary" for career service Employees or Employees covered under a CBA, "Resignation in lieu of Discharge" for Employees that resign after having been served with charges or after having been otherwise informed by CCHHS that the Employee had committed a major cause infraction, and "Discharge" for at-will Employees); date of placement on the Ineligible for Rehire List; and date for removal from the Ineligible for Rehire List.

The Ineligible for Rehire List will be maintained by DHR and DHR will promptly provide copies of the Ineligible for Rehire List and any revisions to the EPO, BHR, and the OIIG. DHR will use the Ineligible for Rehire List during the validation process for all hiring processes in this Employment Plan. Any Applicant who is ineligible for consideration for any CCHHS or County hiring process, will have such ineligibility confirmed by the DHR Chief and the EPO before being excluded from further consideration for that hiring process. The basis for such ineligibility will be documented on ATAS or in writing by the DHR Chief or his or her designee or the EPO. Failure of the DHR Chief or the EPO to confirm or document ineligibility will not bar later action to remove an ineligible individual if hired in violation of this Section.

The EPO and the OIIG will be notified in writing at least five business days in advance of an individual being removed from the Ineligible for Rehire List in order to permit the

CCHHS Employment Plan
Effective 10.20.14

EPO and the OIG the opportunity to consult the Chief of DHR or his or her designee to determine whether the appropriate time period for ineligibility has been instituted and/or expired.

The EPO will maintain a copy of the Ineligible for Rehire List which will be made available to the public upon request to the EPO.

V. GENERAL HIRING PROCESS

The specific elements of the General Hiring Process, which applies equally to External and Internal Applicants, are described in detail below. Except as specifically provided in Sections VII-XI, CCHHS will process all Applicants and Candidates through the General Hiring Process.

A. Recruitment. DHR will take steps to assure that all recruitment efforts are conducted in a manner that maximizes the pool of qualified Applicants and avoids any Unlawful Political Contacts or Unlawful Political Discrimination, including, but not limited to, the following:

1. Job Postings. All Positions which CCHHS is seeking to fill will be posted on CCHHS' website and on ATAS. Positions may also be posted at any location(s) in accordance with any applicable CBA. In addition, CCHHS may publicize Positions to schools, professional organizations, labor organizations, professional publications, online job posting sites, community organizations and post in any other appropriate location(s) in order to generate as large a pool of qualified Applicants as possible. All information contained in any publications regarding a Position, including ATAS, must be consistent with the approved Job Description for that Position.

2. Recruiter Training. All Employees who engage in any recruitment activity on behalf of CCHHS as part of their job duties, will receive training in proper recruitment practices that comply with this Employment Plan prior to engaging in such recruitment activity. Such training will be certified in writing by the Chief of DHR or his or her designee and included in the Employee's personnel records. All training materials used must be approved in writing by the EPO prior to use. Sending notifications of postings to schools, professional organizations, labor organizations, professional publications, online job posting sites and community organizations and posting in any other appropriate location(s) in order to generate a large pool of qualified Applicants will not be considered engaging in recruitment activities for purposes of this Employment Plan.

3. Recruitment Event Participation. All Employees of DHR involved in recruiting may participate in a variety of recruiting events, including, but not limited to, job fairs, school-sponsored campus recruitment events and community-based employment programs. B. Requests to Hire. All hiring for Positions will be initiated by submission of a RTH in accordance with the following:

1. Submission of RTH. The RTH, approved by the Department Head responsible for recruiting the Position, must be submitted to the Chief of DHR or his or her designee, along with the corresponding Job Description, an NPCC and documentation from the Chief Financial Officer of CCHHS or his or her designee, that the Position is approved and funded.

2. Current Job Description. The RTH must be accompanied by a copy of the current Job Description containing a list of the day-to-day essential duties, related knowledge, skills and abilities required to perform those duties, Minimum Qualifications, Preferred Qualifications, if applicable, and any testing protocols. DHR will review the Job Description as provided in Section IV.H. If no Job Description exists, the Hiring Manager is requesting a material alteration of the previous Job Description, or the Hiring Manager claims the current Job Description is not accurate, the Hiring Manager and the Chief of DHR or his or her designee, with notice to the EPO and the CA while acting, will draft a new or updated Job Description that accurately reflects the requirements of the Position. The updated Job Description will be included with the RTH packet and placed on the shared drive. The Chief of DHR or his or her designee will conduct a review of the Job Description, if applicable, in compliance with Section IV.H.

3. Internal Candidate Preference. A Department Head may request on a RTH that a Position be designated as eligible for an Internal Candidate Preference and that Internal Applicants holding Positions within that Department seeking to fill the Position be excluded from the randomization procedures described in Section V.I.4. Such request will include a description of the specific basis or bases for such requested designation on the RTH and be submitted in accordance with this Section V.B. The Chief of DHR or his or her designee will review all requests that a Position be designated as eligible for an Internal Candidate Preference and will determine whether the request is appropriate based on the Department Head's justification, the nature and level of the Position, and the likelihood that the experience of the current Employees in the Department seeking to fill the Position will be beneficial in carrying out the duties and responsibilities of the Position being posted. The Chief of DHR or his or her designee may request in writing that the Department Head provide additional information. If the Chief of DHR or his or her designee determines the Position is not appropriate for eligibility for an Internal Candidate Preference, the Department Head's request will be denied. The Chief of DHR or his or her designee will notify the Department Head of his or her decision and send a copy to the EPO and the OIG.

4. Distribution of Completed RTHs. The Chief of DHR or his or her designee will provide written copies of all completed RTHs to the EPO and the CA while acting, within fifteen days of receipt.

The Preliminary Eligibility List will contain the names of all Applicants in alphabetical order who completed submissions and whose application information on ATAS indicated they possess all of the Minimum Qualifications for the Position. If no Applicant is eligible for inclusion on the Preliminary Eligibility List, the Position will be reposted if requested by the Department.

2. Internal Candidate Preference. This Section applies only to Positions that are approved as eligible for an Internal Candidate Preference pursuant to Section V.B.3. The Interview List for all other Positions will be created using Sections V.K.1 and 3. The applications for all Internal Applicants, including any Internal Applicant who is eligible for a Veteran's Preference, (i) who appears on the Preliminary Eligibility List; (ii) who works in the Hiring Department or related Bureau seeking to fill the Position, and (iii) whose application indicates the Applicant possesses the Minimum Qualifications, will be validated and, if eligible, added to the Interview List pursuant to Sections V.I-J without any computer-based randomization. If after validating applications from Internal Applicants, there are 10 or more Candidates for a single vacancy or five or more Candidates per vacancy for multiple Vacancies on the Interview List, DHR will not validate the applications of any other Applicants on the Preliminary Eligibility List for such vacancy. If after this validation there are less than 10 Candidates on the Interview List for a single vacancy or less than five Candidates per vacancy for multiple vacancies, DHR will proceed to validate the additional applications following the procedures in Sections V.K.3 and 4.

3. Veterans' Preference. For all Positions that have not been designated by DHR as eligible for Internal Candidate Preference, DHR will first validate all Applicants eligible for the Veterans' Preference. To be considered for the Veterans' Preference, Applicants must (a) be a Veteran, (b) submit a copy of the DD Form 214 on ATAS at the time of application, and (c) meet the Minimum Qualifications for the Position. DHR will

CCHHS Employment Plan
Effective 10.20.14

review all DD Forms 214 submitted on ATAS. If the DD Form 214 confirms the Applicant is a Veteran as defined in this Plan and also meets (c) above, the Applicant will be eligible for the Veterans' Preference. Eligible Veteran Applicants will be validated and added to the Interview List pursuant to Section V.J without any computer-based randomization. If after validating applications from Applicants eligible for Veterans' Preference, there are 10 or more Candidates for a single vacancy or five or more Candidates per vacancy for multiple vacancies on the Interview List, DHR will not validate the applications of any other Applicants on the Preliminary Eligibility List. If after validating the Applicants eligible for the Veterans' Preference there are less than 10 Candidates on the Interview List for a single vacancy or less than five Candidates per vacancy for multiple vacancies, DHR will proceed to validate additional applications following the procedures in Sections V.I.4 and V.K.

4. Non-Veteran Applicants. If the Interview List prepared pursuant to Sections V.J.2 and /or V.I.3 contains the names of less than 10 Candidates for a single vacancy or less than five Candidates per vacancy for multiple vacancies, the applications of any Applicants left on the Preliminary Eligibility List will be placed in random order through the use of a computer-based randomization function (which is part of ATAS or another computer program). DHR will proceed to validate additional applications in the order they appear on the randomized Preliminary Eligibility List until there are 10 Candidates per vacancy for single vacancies or five Candidates per vacancy for multiple vacancies on the Interview List or until all applications of Applicants on the randomized Preliminary Eligibility List have been validated, whichever comes first.

5. Notice of Randomization. The EPO will be notified at least 24 hours in advance of any randomization of names pursuant to this Section V.I and may be present during any such randomization process.

J. Validation Procedures. DHR will validate applications by reviewing the information contained on the applications and resumes of Applicants listed on the Preliminary Eligibility List as follows. All Applicants validated and deemed eligible pursuant to this Section V.J, will be placed on the Interview List.

1. Validation of Experience/Education/Licensure. DHR will review the background information concerning the Applicant's work experience and education contained on the online application, resume and copies of any licenses, diplomas and certifications submitted on ATAS and compare them with the Applicant's responses to the Disqualifying Questions. In the case of Positions for professionals licensed by the State of Illinois, DHR or its Designee will conduct online verification of this licensure. Proof of required licensure will be considered sufficient proof of the minimum educational requirements necessary to obtain such license. In the case of Positions for which a college degree is required, proof of a related higher degree may be considered sufficient proof of the minimum educational requirements.

2. Material Conflicts in Application Materials. In the event there is a material conflict or inconsistency between the information provided by the Applicant on ATAS and the Applicant's response to any Disqualifying Question, or if the information

CCHHS Employment Plan
Effective 10.20.14

submitted on ATAS does not support the Applicant's claim to possess the Minimum Qualifications of the Position, the Applicant will be considered ineligible for the Position and his or her name will be removed from the Preliminary Eligibility List and will not be included on the Interview List.

3. Validation of Disciplinary History for Internal Candidates and Former Employees of CCHHS and of Offices Under the President. Following the validation procedure described in Sections V.J.1-2, DHR will conduct the following review. DHR will review the personnel files of those Candidates who are (a) Internal Applicants or (b) External Applicants who indicated on their applications that they were employed by CCHHS or Offices Under the President at any time during the 12 months preceding the Applicant's application for hire.

a. Internal Applicants' Disciplinary History Validation. Any Internal Applicant who was suspended while working in CCHHS or at Offices Under the President during the 12-month period prior to his or her application for a Position will not be considered eligible for the Position, and his or her name will not be included on the Interview List, subject to the terms of any applicable CBA. In the event an Internal Applicant's disciplinary suspension is reversed pursuant to the CCHHS Personnel Rules' grievance process or any applicable CBA, DHR will return the name of the Internal Applicant to the Preliminary Eligibility List and/or Interview List.

b. Former CCHHS or County Employees' Disciplinary History Validation. DHR will review the disciplinary record of any External Applicant who was an Employee of CCHHS or the Offices Under the President during the 12 months preceding his or her application. Any External Applicant employed by CCHHS or the Offices Under the President during the last 12 months of such employment who was subject to a disciplinary suspension or who was involuntarily terminated from employment with CCHHS or the Offices Under the President during the 12-month period prior to his or her application will not be considered eligible for the Position, and his or her name will not be included on the Interview List. Prior to making an offer of employment pursuant to Section V.Q, to an External Applicant who was employed by CCHHS or the Offices Under the President within the 12 months preceding his or her application, DHR, as applicable, will provide the EPO with a copy of such External Applicant's disciplinary record. In the event an External Applicant's disciplinary suspension or involuntary termination is reversed pursuant to the CCHHS Personnel Rules' grievance process or any applicable CBA, DHR will return the name of the External Applicant to the Preliminary Eligibility List and/or Interview List.

c. Ineligible for Rehire Lists. DHR will review the Ineligible for Rehire Lists for CCHHS, Offices Under the President as well as any elected official and any other relevant governmental agency that is

CCHHS Employment Plan
Effective 10.20.14

publicly available, prior to interviewing any Candidate for any Position. Should the name of a Candidate for a Position appear on an Ineligible for Rehire List, DHR will take whatever measures are necessary to confirm the identity of the Candidate is the same as the person on the Ineligible for Rehire List and, if so confirmed, will not interview that Candidate for the Position.

4. Record of Determinations. On ATAS, DHR will record the specific reason for a decision to exclude any Applicant's name from the Interview List and will notify the EPO when the validation process has been completed for each posting within 48 hours of completion.

5. Review by EPO. The EPO and the Chief of DHR or his or her designee will have access to the validation process for each posting and may review and monitor it on an ongoing basis. If the EPO concludes during the validation process that a validation decision was in error, the EPO will make a written request to the Chief of DHR or his or her designee to revise the Interview List including the reason(s) why such a revision is necessary. The Chief of DHR or his or her designee will revise the Interview List in accordance with the EPO's request.

K. Use of Preliminary and Interview Lists. The Preliminary and Interview Lists, minus any names removed for any reason, will be valid and may be used for purposes of filling subsequent vacancies for the posted Position for a period of 12 months from the date the posting closes.

L. Interview Preparation.

1. Interview Scheduling. Upon receipt of the Interview List from DHR, the Department Head or his or her designee will schedule interviews and provide the schedule to the Chief of DHR or his or her designee and the EPO at least 48 hours prior to the date of the first interview. DHR will provide the CA notice at least 48 hour prior to the date of the first interview. If any Candidate declines an interview, or otherwise drops out at any time, the Department Head or his or her designee will document why the Candidate was not interviewed.

2. Interview Panel Selection. The Hiring Manager will select the interview panel consisting of at least two Employees including (a) at least one Supervisor in the Hiring Department or from a related Department, which may include the Hiring Manager and (b) at least one qualified Employee with first-hand knowledge of the essential job duties and Minimum Qualifications of the Position. Not later than 48 hours before the scheduled interviews, the Hiring Manager will send a list of the names of the Employees who will make up the interview panel to the Chief of DHR or his or her designee for approval prior to the interviews.

CCHHS Employment Plan
Effective 10.20.14

will review and amend or approve the questions. The Hiring Manager will assign weighted values to the draft questions so that the total weighted value of all questions equals 100. All questions will be considered and treated as confidential, and they may not be disclosed to anyone other than the Chief of DHR or his or her designee and the EPO prior to the interviews. The questions must be based on the specific job duties of the Position and designed to assess the Candidate's job-related qualifications, skills and suitability for employment. The interview questions developed for a particular Position may be used for subsequent vacancies for that Position, provided appropriate precautions are taken to prevent advance dissemination of questions and answers to Candidates and provided the questions remain related to the duties of the Position. Follow-up questions by the panel members are permitted and encouraged, provided they are related to a determination of the Candidate's suitability for the Position. All documents provided by a Candidate during an interview will be included in the Interview File.

M. Interview of Candidates. The following will apply to the interview of Candidates:

1. Notification. At least 48 hours prior to any interview, the CA while acting, the Chief of DHR or his or her designee, the OIG, and the EPO will be notified in writing of the time and place of each interview, any or all of whom may be present to monitor any interview.

2. Conducting the Interview. The interview panel will interview each Candidate on the Interview List in accordance with the following:

a. The Chief of DHR or his or her designee, the Employee in charge of personnel matters for the Department, if applicable, or a member of the Interview Panel will facilitate the conducting of interviews by informing the interview panel and the Department Head or his or her designee of the interview process, being present while interviews are being conducted by requesting that any applicable forms and notes be completed, and picking up completed forms and notes after the interviews.

b. In the event any panel member becomes aware that he or she has a Conflict of Interest prior to or during any interview, the panel member will, as soon as possible, notify the Chief of DHR or his or her designee or the Employee in charge of personnel matters for the Department, if applicable, the EPO and the other members of the panel, that a Conflict of Interest exists and that a substitution is needed. In the event any panel member becomes aware that any other panel member has a Conflict of Interest prior to or during any interview, he or she will advise the Chief of DHR or his or her designee, who will determine whether a Conflict of Interest exists. If a Conflict of Interest is determined to exist, the conflicted panel member will be removed from the interview panel and will not participate in the interview or the selection process for that Candidate. A substitute panel member approved by the Chief of DHR or his or her designee will be contacted to replace the conflicted panel member. If no substitute is available, the interview will be rescheduled or

CCIHHS Employment Plan
Effective 10.20.14

may proceed if there are at least two remaining panel members and the requirements set forth in Section V.L.2 are satisfied. The substitute panel member will assume the conflicted panel member's duties (asking questions, completing the Interviewer Evaluation Form, etc.). If a Conflict of Interest is discovered after an interview, the EPO must be notified and he or she will make the determination of whether a second interview panel must be convened.

c. The interview questions selected in accordance with Sections V.L.3 and V.M.2.d will be used to evaluate Candidates and complete the Interviewer Evaluation Form.

d. All Candidates interviewed for the same Position will be asked to respond to at least five of the same pre-approved interview questions. Follow-up questions by the panel members are permitted and encouraged, provided they are related to a determination of the Candidate's suitability for the Position.

3. Interviewer Evaluation Form. Each interviewer will independently and personally complete and sign an Interviewer Evaluation Form for each Candidate at the conclusion of each interview or at the conclusion of all interviews on that day for a particular Position and will score each Candidate as: (1) unacceptable, (2) marginally acceptable, (3) acceptable, (4) very good, or (5) excellent in each category listed on the Interviewer Evaluation Form. The basis of any score of (5) or (1) must be explained by the interviewer on his or her Interviewer Evaluation Form. No person may alter, add to or delete from any Interviewer Evaluation Form other than the interviewer who completes and signs it. The interviewers will submit the original completed Interviewer Evaluation Forms to the Chief of DHR or his or her designee and a copy to the Employee in charge of personnel matters for the Hiring Department, if applicable.

4. Preparation of Ranked Interview List. The Chief of DHR or his or her designee or the Employee in charge of personnel matters for the Hiring Department, if applicable, will tabulate the scores of the Candidates and rank them in order from the highest to lowest score on the Ranked Interview List. The names of Candidates who receive a combined overall average score of less than 3 (acceptable) on the Interviewer Evaluation Forms will not be included on the Ranked Interview List nor will they be eligible for further consideration. The Ranked Interview List will be valid and may be used for purposes of filling subsequent vacancies for the posted Position for a period of 12 months from the date the posting closes.

N. Pre-Employment Testing. Additional pre-employment tests may be given by the DHR to Candidates based on the specific requirements of the Position for which they are applying and as described in the Notice of Job Opportunity, provided all Candidates for any Position are subject to the same test. Pre-employment tests may be given before or after the interviews. Each pre-employment test must be standardized and job-related, and must be administered, scored, considered, and weighted on a consistent basis for each Candidate. A passing score for such tests must be established in writing before any test is

CCHHS Employment Plan
Effective 10.20.14

administered to a Candidate. Motor vehicle testing (if applicable) may occur on site. The names of Candidates who do not achieve a passing score will be removed from the Ranked Interview List.

O. Candidate Selection Procedure. Following completion of interviews, the interview panel will select Candidates for employment in accordance with the following:

1. Selection Meeting. Within three business days following the last Candidate interview, the interviewers will conduct a selection meeting at which all of the interviewers are present (in person, by telephone or by video conferencing) and at which each interviewer has an opportunity to freely and without fear of retaliation express his or her opinion regarding the Candidates whose names are contained on the Ranked Interview List. Should the interview panel not be able to complete the Selection Meeting within three days, the interview panel may request additional time in writing from the EPO, with a copy to DHR and the CA while acting. The EPO will respond to any such request in writing. The interview panel will discuss the Candidates interviewed in the order they appear on the Ranked Interview List. The Chief of DHR or his or her designee will be available to the panel to provide advice and expertise. The EPO and CA while acting, may also attend selection meetings.

2. Interview Panel Ranking Form. The interview panel will write the names of all Candidates it recommends for employment in order of preference on the Interview Panel Ranking Form.

3. Documentation of Selection Meeting. An interview panel member designated by the Hiring Manager will complete all sections of the Interview Panel Ranking Form. The form will include how each Candidate was ranked by each member of the Interview Panel. The Interview Evaluation Forms and the Interview Panel Ranking Form will be included in the Interview File. If the panel consists of two panel members and they do not agree on the selected Candidate(s), the Interview Panel Ranking Form will reflect this and the Interview File will be made available to the Hiring Manager who will make the final selection decision.

4. Final Selection. The Hiring Manager will review the Interview File and the panel's recommendations and make the final selection. If the Candidate(s) selected is other than the Candidate ranked highest by the interview panel in the case of a single vacancy, or Candidates ranked among the top Candidate(s) equal to the number of vacancies to be filled by the interview panel in the case of multiple vacancies, the Hiring Manager will prepare a written explanation of the basis or bases on which he or she made the selection and include it in the Hiring Packet, along with a NPCC.

5. Decision to Hire. The Hiring Manager will prepare the Decision to Hire, which will be sent to the Chief of DHR or his or her designee along with the Ranked Interview List, the Interview Panel Ranking Form, the Interview Evaluation Forms, notes from the selection meeting, and any other documentation regarding the selection and ranking of the Candidate or Candidates. In the event the Hiring Manager's final selection is a Candidate or Candidates other than the one(s) described in Section V.O.4, copies of

CCHHS Employment Plan
Effective 10.20.14

such documentation will also be sent to the EPO and the CA while acting. Subject to final screening pursuant to Section V.P and post-offer testing pursuant to Section V.R, the Hiring Manager's decision will be final.

P. Final Screening. DHR will conduct a final screening of the Candidate or Candidates selected by the Hiring Manager pursuant to Section V.O.4, as follows:

1. Review of Final Selection and Documentation. The Chief of DHR or his or her designee will review the material forwarded pursuant to Section V.O.5 and verify the selection is in compliance with the requirements of this Employment Plan. In the event the Hiring Manager's final selection is a Candidate or Candidates other than the one(s) ranked highest pursuant to Section V.O.2 and the Hiring Manager has selected another Candidate or other Candidates pursuant to Section V.O.4, the EPO will review the justification prepared by the Hiring Manager pursuant to Section V.O.4, and verify that the selection is in compliance with the requirements of this Employment Plan as well. If either the Chief of DHR or his or her designee or the EPO determines that the selection was not in compliance, the selected Candidate or Candidates will not be offered employment.

2. Professional Reference Verification. The Chief of DHR or his or her designee will attempt to contact at least one professional reference (preferably the most recent employer) listed on the application of selected Candidates who are External Applicants in order to verify the accuracy of information contained on the application. Any Candidate who the Chief of DHR or his or her designee confirms has provided misleading, incomplete or incorrect information (excluding minor discrepancies) on his or her application or resume will not be considered eligible and will not be extended an offer of employment. The Chief of DHR or his or her designee will document for the file the basis of his or her finding of ineligibility and notify the Hiring Manager and EPO that the selected Candidate is not eligible.

3. Grant of Authority. The Chief of DHR or his or her designee will prepare and submit a Grant of Authority Form for signature by the Chief of DHR or his or her designee. The Grant of Authority Form will include at least the name(s) of the selected Candidate(s) and the proposed salary.

Q. Offers of Employment. DHR will extend employment offers in accordance with the following:

1. Extension of Offer. The Chief of DHR or his or her designee will extend a written offer of employment to the selected Candidate(s). All offers of employment will be made in writing. All offers of employment will be contingent upon the Candidate's satisfactory completion of all pre-employment requirements and post-offer tests described in Section V.R, and the CCHHS Personnel Rules and Manual and the execution of the Grant of Authority. If, due to critical need, a selected Candidate begins employment before the results of any pre-employment requirement and post-offer test has been received, the Candidate will be advised that his or her continued employment is contingent on the receipt of satisfactory results, and that he or she will be subject to

CCHHS Employment Plan
Effective 10.20.14

immediate termination if and when an unsatisfactory result is received. If a Candidate accepts an offer of employment, the Chief of DHR or his or her designee will notify the EPO and CA while acting, in writing of the accepted offer and will include the anticipated first date of employment.

2. Grant of Authority. After a contingent offer of employment has been accepted by the Candidate, a fully-executed Grant of Authority will be prepared and signed in accordance with the applicable ordinance.

3. Ineligible Candidate or Unaccepted Offer. If a selected Candidate is found to be ineligible after the final screening or post-offer testing or does not accept the offer of employment, the next highest ranked Candidate on the Interview Panel Ranking Form, and if necessary, the other Candidate(s) in ranked order, will be screened pursuant to Section V.P and, if successfully screened, offered employment, if eligible.

4. No Acceptance. If no Candidate on the Interview Panel Ranking Form prepared in accordance with Section V.O.2 is eligible or accepts the offer of employment, DHR may prepare another Interview List pursuant to Sections V.I-J, and so on until the Preliminary Eligibility List is exhausted. If no Candidate is eligible or accepts the offer of employment, the Position may be reposted.

R. Post-Offer Testing. Upon acceptance of an offer of employment, the following will be conducted:

1. Drug Test. All Candidates selected to fill a Position will be required to submit to a drug test prior to the commencement of employment. Those whose drug tests indicate the use of a controlled substance other than a prescribed medication being taken as prescribed will not be considered eligible and the contingent offer of employment will be withdrawn, or, if applicable, the individual will be terminated.

2. Medical Examination. All selected Candidates for Positions designated by CCHHS as requiring a pre-employment medical examination prescribed by the CCHHS Personnel Rules 3.04(c) will be required to undergo a medical examination which may include medical tests and vaccinations and may include mental health screening. Candidates whose medical examination indicates that they are not able to perform the essential functions of the offered Position (with or without reasonable accommodation) will not be considered eligible and the contingent offer of employment will be withdrawn, or, if applicable, the individual will be terminated; provided CCHHS will comply with all applicable laws and regulations prohibiting discrimination based on disability in employment.

3. Background Check. All selected Candidates who accept an offer of employment will be required to submit to a criminal background check. If a criminal background check reveals that a selected Candidate has been convicted of a felony or misdemeanor that impacts or could impact his or her suitability for the Position, the matter will be referred to the Chief of DHR or his or her designee for an investigation and determination. The Chief of DHR or his or her designee will investigate the facts and

CCHHS Employment Plan

If the background check reveals a selected Candidate has withheld or given materially inaccurate, incomplete or misleading information concerning his or her criminal record, the contingent offer of employment will be withdrawn or, if applicable, the individual will be terminated. CCHHS will also comply with the requirements of the Illinois Health Care Worker Background Check Act ("Background Check Act"), 225 ILCS 46/1 *et seq.* which provides, in relevant part, that no health care employer will knowingly hire any individual in a position with duties involving direct care for clients, patients, or residents who has been convicted of committing or attempting to commit certain offenses listed in the Background Check Act or of violating the Nurse Practice Act, unless the applicant or employee obtains a waiver pursuant to the Background Check Act.

Copies of such documents will be included in the Candidate's hiring file and will be provided to the EPO and CA while acting, two weeks prior to the Candidate's first day of employment. A Candidate's failure to provide such required documentation by two weeks prior to the Candidate's first day of employment will result in the disqualification of the Candidate for employment for that Position.
