Recognition & Announcements

Behavioral Health Workforce Symposium

On October 1, Cook County Health hosted a pivotal Behavioral Health Workforce Symposium, focusing on the urgent need to address workforce shortages in mental health services across the region.

The symposium, coordinated by Cook County
Health Office of Behavioral Health and the Cook
County Department of Public Health, centered
around key findings from the newly released
Cook County Behavioral Health Workforce
Report.

Cook County Health Launches Robotic Lung Cancer Biopsy System

On October 15, Cook County Health officially launched a new tool to help in diagnosing lung cancer, the leading cause of cancer deaths in the U.S. The Intuitive Surgical ION Navigational Bronchoscopy platform is a cutting-edge tool that makes diagnosing lung cancer safer, quicker, and more accurate.

Congratulations to the multidisciplinary team involved in bringing this project to fruition!

Cook County Announces Installation of Narcan Vending Machines at Facilities

On October 23, Cook County Health joined other Cook County leaders to announce the placement of vending machines at Cook County Health facilities, as well as within Cook County Jail waiting rooms, and Cook County courthouses that will dispense narcan free of charge. Three vending machines were installed in September and have already dispensed more than 750 doses.

Blood Pressure Management

Cook County Health's ACHN sites earned Silver
Target BP recognition from the American
Medical Association and American Heart
Association in recognition for their
commitment to improving blood pressure
control through accurate measurement in adult
patients.

Congratulations!

American Heart Association

Congratulations to **Donnica Austin-Cathey**, Chief Hospital Executive, John H. Stroger, Jr. Hospital, for getting appointed to the volunteer Metropolitan Chicago Board of Directors of the American Heart Association!

She joins other healthcare professionals and business, and community leaders help guide AHA's many activities throughout the Greater Chicago area.

CCDPH's "Here to Hear You" Campaign

Congratulations to the Cook County Department of Public Health for recently receiving two awards for their "Here to Hear you" video campaign!

- Award of excellence at Public Relations Society of America (PRSA) Chicago Skyline Awards in the "Best Use of Broadcast/Film/Video" category
- Publicity Club of Chicago's Golden Trumpet Award in the video category

The video campaign features recorded conversations of Black and Hispanic males on the topics of suicide prevention and mental health.

Illinois Academy of Physician Assistants

Congratulations to **Ann Sikora-Jackson,** Senior Director of Advanced Practice Providers, for winning the Physician Assistant of the Region award from the Illinois Academy of Physician Assistants!

The award is bestowed to an Advanced Practice provider who has demonstrated exceptional dedication, commitment, and outstanding contributions to the medical community.

Carol Emmott Fellowship Class of 2025

Congratulations to **Crissy Turino**, Chief Plan Officer, Medicaid Services for getting selected to join the Carol Emmott Fellowship Class of 2025!

The Carol Emmott Fellowship, a program of The Carol Emmott Foundation, accelerates the leadership capacity and national visibility of women in health.

Hispanic Heritage Month

In celebration of Hispanic Heritage Month, Cook County Health led a discussion in Spanish to reach our Spanish speaking patients on the role Hispanic culture plays in our overall health.

The event earned more than 31,800 impressions and 17,000+ engagements on social media.

Thank you to Shannon Andrews, Maria Castillo, Maritza Guzman-Lauriano, Jaime Martinez, Dr. Juan Pablo Ruiz and Hilda Salgado for a successful and insightful event!

Strategic Plan Update

Strategy Initiatives October

Accomplished

Stroger Lab completed the American College of Pathologist survey

JTDC Health staff recognized for suicide prevention work and National Commission on Correctional Health Care recognized Cermak for Opioid work

Internal Medicine Residency and Primary Care Residency achieved a 100% American Board of Medicine pass rate

Completed 15 cases in the first month of launching robotic bronchoscopy

750 doses dispensed from naloxone vending machines at Provident/Stroger/CORE

- Graduation for the Nursing Cohort 3 residency
- Went live with CountyCare new provider directory
- CCDPH Environmental Unit digitized forms to enhance service delivery
- Speech pathology started performing outpatient video swallow studies

Expanded Expresscare Telehealth service from 11 am to 7 pm

CCH Nursing Innovation and Research conference planning for January 2025

CountyCare is meeting with Dominican University to educate staff who work with low -income students to actively enroll students in Medicaid.

New Opioid Use dashboard in HealtheIntent in collaboration with Opioid Task Force providers and HIS teams to be completed in November

New Sterile Processing update anticipated completion by 2/2525 for Provident

Centralized Nurse Triage and centralized scheduling model with One Source Enterprise

Finalized PT/OT equipment contract for new Bronzeville Center

Finalizing contracts with Express Scripts to be the Pharmacy Benefits Manager for Meridian and Blue Cross Community Health Plans

Staffing and Agency Update

Current State

Current State

- System-wide agency utilization at 18%
- Several departments & roles with utilization >18%
- Some departments with higher utilization than currently available PIDs
- Challenges with hiring and recruiting (ranging from internal processes to national workforce shortage)
- Historic lack of transparency into and control of agency utilization
- FMLA leave backfilling is significant; 1,229 employees took at least one occurrence of FMLA in past 16 months
- Employee engagement improved from 7th to 21st percentile (2022 vs 2024)
- Turnover rates improving (overall 7-8% versus national average of 20%)
- Improvement in net hires year-over-year

Current State Of Hiring & Separation

CCH Contracted Services

Through July 2024

Department	Contracted Services FY24 YTD Average	Notes
Support Ancillary	21	All these roles are Greeters and 4Help Call Center roles that were newly created positions during COVID.
Hospital Security	51	Provident and ACHN security is fully outsourced to respond to unique needs. CCH is currently assessing continued structure.
Human Resources	3	HR Optimization work related to Classification and Compensation as well as the learning and development infrastructure.
Food Services	15	Provident is fully outsourced.
Environmental Services	5	Management outsourced.
Sterile Processing	9	Management outsourced.
HIS	91	Through Eviden contract, they provide support for health information systems, EMR, and financial systems at both the analyst level as well as management level. This ensures continuous HIS, CDI, and BOT staffing and systems support.
Grand Total	124	

Action Plan

Current Actions

- Bi-weekly meetings between CCH HR & CEO and BHR & Labor
- Quarterly meetings with OUP and CCH leadership teams
- System level oversight developed on agency utilization
- Department level benchmarking using Vizient ODB
- Paused new agency FTE additions
- Additional controls implemented over any agency additions (system level approval required)
- Auditing recent utilization through Internal Audit and Compliance
- Completing market analysis for multiple positions to assess pay rates
- Completing EP policy update to:
 - Make nursing accelerated hiring process permanent
 - Expand accelerated hiring for additional roles (EVS, food service, transporters)

Next Steps

- Right-sizing each department with high agency use
- Reviewing currently-vacant PIDs for reallocation to address PID shortages
- Completing 10% agency reduction exercise across all departments with agency use
- Completing restructure of several roles existing across multiple departments
- Considering implementation of time limits for individuals in agency roles (e.g. at 1 year, must decide to be employed or leave)

Employee Engagement

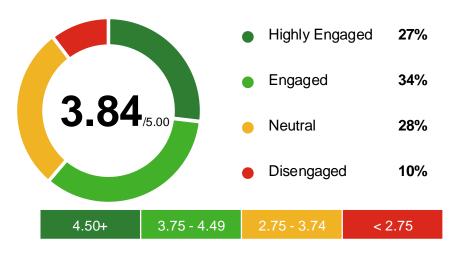

Engagement Survey Results Snapshot
