I agree to produce proof of appropriate COVID vaccination before the start of my rotation and to complete an online symptom checker daily or have my temperature taken when I enter the CCH facilities. In addition, I will adhere to all of the critical CCH protections such as 4 per elevator car, mask wearing (even in the non-patient care areas), protective eye wear when seeing patients and appropriate social distancing with the understanding there will be "zero tolerance". I understand that if I am not compliant with these safeguards, I may be dismissed from the rotation.

Educational Modules

Greetings from Cook County Health Department of Professional Education. Below you will find instructions on how to complete the required annual training modules.

1. Go to www.cookcountyhealth.org

2. Click on Education & Research
3. Scroll down to Education Modules and complete the 3 modules that are listed:

- Hand Hygiene
- Infection Control
- Student Orientation.

**Education Modules**

In order to participate in rotations at John H. Stroger Jr. Hospital, you must be familiar with some very important issues that may differ slightly from your home institution. The link below will bring you to educational modules on Infection Control, Handwashing and a brief orientation to the hospital that includes topics such as Patient Identification, Fire Safety and Pain Control for Patients. Completion of these modules is required prior to beginning a rotation at Stroger.

Click & review each of the appropriate modules below:
- Hand Hygiene Module
- Infection Control Module
- Student Orientation Module

**Please Note:**

- **Student Orientation Module**: Please complete the quiz and provide your test results as proof of completion. A passing score 150/150= 100%.
