1. CCH Background

The Cook County Health (“CCH” or “System”) is a unit within Cook County government. CCH provides a full continuum of health care services through its seven operating entities, referred to as System Affiliates. System Affiliates provide a broad range of services from specialty and primary care to emergency, acute, outpatient, rehabilitation and preventative care. CCH services are offered without regard to a patient’s economic status or ability to pay.

The System operates John H. Stronger, Jr. Hospital of Cook County, which is a tertiary, acute care hospital and Provident Hospital of Cook County, a community acute care hospital. The System is continuing to work on their strategic plan moving forward which includes CountyCare. This is a Medicaid health plan for low-income adults established under the Affordable Care Act. CountyCare is expanding its eligible membership population to children, seniors, and persons with disabilities. CCH will continuously undergo the transformation of its services to continue service excellence for its patients.

2. Term of Services and RFQ Schedule

I. Contract Term of Service

Cook County Health intends to award one or more contracts for 9 months (3/1/22 - 12/31/22) with an option to extend the term an additional 12 months.

3. Program Description and Scope of Service

CCH is seeking quotes for contracted services for the Cook County Department of Public Health (CCDPH) Mobile Vaccination Program, COVID-19 and Influenza Vaccination.

I. Overview

The Cook County Department of Public Health (CCDPH) COVID-19 Mobile Vaccination Program is looking to expand its Mobile Vaccination Program and fund vaccine providers to continue COVID-19 Mobile Vaccination and offer optional Influenza Vaccination in designated suburban Cook County municipalities through 12/31/2022, with a possible extension.

II. Program Description

The CCDPH COVID-19 Mobile Vaccination Program coordinates onsite/mobile COVID-19 vaccinations to meet people and communities where they are that may have social, health, and socioeconomic barriers to accessing the COVID-19 vaccine, and/or below average vaccination rates. Mobile vaccination sites identified by requests made through the Request Form on vaccine.cookcountyil.gov, the CCDPH website, and/or community-based

organization partners who identify vulnerable groups/sites to host these onsite/mobile clinics.

Vendor(s) must have completed all necessary I-CARE registration(s) upon award. Vendor(s) must be approved or have applied for approval by CDC and as a COVID-19 pandemic vaccination provider upon award. Vendor(s) must enroll with CDC as a vaccine provider upon award, and must adhere to call requirements of this agreement.

Services would include, but are not limited to: on-site vaccinations under the clinical direction of a medical director employed by the vendor(s), fulfillment of reporting requirements, and facilitation of safe vaccination of the patient population. This medical director must be a licensed physician. The vendor(s) must have medical licensure under which to operate and may not operate under CCDPH's medical license.

A. Mobile Sites

Vendor(s) will provide vaccination services at locations as directed by CCDPH. CCDPH may require vendor(s) to change mobile site locations with one week's notice, and may require a strike team to be deployed to a location at CCDPH's direction with 48 hours' notice..

1 Number, Frequency and Availability of Sites

- a. Site Type Vendor(s) must be willing and able to operate a regularly determined number of vaccination sites in a mixture of two different formats, depending on operational need:
 - i. Mobile Site - vaccinations conducted at "pop up" mobile sites which operate for one or more days in a given location. Some mobile sites will be in a rotation in certain communities - returning to the same mobile location several additional times, while others may be one-off locations. Mobile sites should have minimum capacity to vaccinate 250 people per clinic, depending on the size and set-up of the facility.
 - ii. Strike Teams -vaccinations conducted at a specific location where a targeted population is to be vaccinated.
- b. Vendor(s) must be able to operate sites seven days per week, from 8am to 8pm, as vaccine supplies allow and as directed by CCDPH. Vendor(s) will be expected to scale up or scale down availability of sites as required by CCDPH. Vendor(s) must have a minimum capacity of at least one mobile site or one strike team per day.

2 Required Materials, Supplies and Support Services

- a. Vendor(s) must provide all equipment and supplies for effective vaccination administration in anticipation of, or in response to, vaccine and patient volume at vendor's expense. Any equipment acquired by the vendor(s) for use under the contract will remain property of the vendor(s). Vendor(s) must be able to report current on-hand and status of resupply or replenishment for any required materials or supplies at regular intervals to CCDPH.
- b. Vendor(s) must provide multilingual capacity through a combination of staff onsite or through a translation service supported via phone and also must have staff available

onsite adept in interacting effectively and sensitively with clients from diverse backgrounds. Vendor must have Spanish-speaking staff or the capability to use translation services on-site at all mobile sites.

3 Community Relations and Patient Accommodation

The vendor(s) must be able to provide for accessibility requests for individuals with disabilities including Deaf and hard of hearing people, people who are blind or low vision, people with cognitive and/or intellectual disabilities and other categories. The vendor(s) will work with CCDPH to ensure appropriate reasonable accommodations are made.

4 Other accommodations

Vendor(s) must have staff available onsite adept in interacting effectively and sensitively with clients from diverse backgrounds, including various disability communities, individuals with criminal justice involvement and individuals with various immigration statuses.

5 Reimbursement

- a. CCDPH will require vendor to reduce invoices to CCDPH by the amount received through reimbursements from third-party payors. CCDPH's policy does not require an identification card, such as a driver's license, to be vaccinated. The vendor(s) will be informed regarding any changes to this policy.
- b. Vaccines must be provided at no cost to the patient. When possible, the vendor(s) must seek appropriate reimbursement from a program or health plan that covers COVID-19 vaccine administration fees for the individual receiving the vaccine (e.g., private insurance, Medicare, Medicaid, CHIP, etc.). For vaccine recipients not covered by insurance, providers may be requested to seek reimbursement (at Medicare rates) for administration fees through the Health Resources & Services Administration (HRSA) offered by the U.S. Department of Health and Human Services (HHS).
 - i. Providers need to be registered with this program.
 - ii. Providers must agree to no balance billing.
 - iii. Providers must have verified that the recipient was not covered under insurance.
 - iv. Providers must agree to submit requests for reimbursement electronically when available, and receive payment electronically. (For more information about the program and claims reimbursement, see: www.hrsa.gov/CovidUninsuredClaim)

6 Required agreements, reporting, and information system capabilities

- a. Vendor(s) must sign and adhere to the CDC COVID-19 Vaccination Program Provider Agreement. Vendor(s) must also enroll in I-CARE, the immunization registry for the state of Illinois, its successor or other designated data systems and submit data on a daily basis. The vendor(s) must capture various required data required elements required by I-CARE or an Electronic Medical Record (EMR) that is able to electronically transmit required patient and COVID-19 immunization data to I-CARE. Data elements to be collected and transmitted include but are not limited to patient demographics, vaccine, vaccine administered code set (CVS), lot number, vaccine expiration date, precautions and contraindications, and additional data requirements set by the CDC and the State. Additional data requirements include but are not limited to: current number of patients who have received their first dose, number of patients who have

received their second dose), vaccine on hand and vaccine administered; and documentation of quality assurance checks in a format provided by CCDPH.

7 Additional Capabilities:

The vendor(s) must also have the following:

- a. An available system for scheduling, registration, administering, tracking, providing follow up, as well as reminding and securing an appointment for a second dose, with documentation of administration, for each client served. No specific scheduling system is required. All mobile vaccination clinics MUST allow for a walk-in option. The mobile vaccination clinics can be walk-in only as well. CCDPH's policy does not require an identification card, such as a driver's license, to be vaccinated.
- b.
- c. A system that provides a dashboard of all scheduled appointments, first dose vaccinations completed, second dose vaccinations completed, and patient demographic information.
- d. A process for reporting vaccine inventory and wastage data to I-CARE.
- e. A method and process for reporting adverse reactions in the Vaccine Adverse Event Reporting System (VAERS)
- f. The ability to integrate with/transfer EMR data to I-CARE

8 Emergency Management Planning and Operations

The Vendor(s) must have an Emergency Management Planning and Operations, including

- a. On-site safety plan for mobile sites and strike teams
- b. Security plan
- c. Inclement weather plan
- d. Site open/closure protocols
- e. Clinical experience administering vaccinations

III. Scope of Services

A. Scope

The awarded Vendor(s) shall provide the following:

- a. Conduct 10 full day or 20 half day clinics per month in designated suburban Cook County municipalities based on high COVID-19 Community Vulnerability Index (CCVI) and low vaccination rates between 3/1/22 - 12/31/22, with the option to extend. Clinics will likely vary in size from 20-500. There is no minimum or maximum requirement.
- b. Administer Covid-19 Vaccination and Influenza Vaccination as requested to individuals, either at the same or separate visits.
- c. Work with CCDPH, CCDPH contractors, and CCDPH community partners including community-based organizations to decide on mutually agreed upon vaccination clinic dates and times based on community need.
- d. The COVID-19 mobile vaccination clinics may occur at indoor and outdoor community sites as identified by CCDPH, vaccine providers and community partners. These vaccination sites may not be stationary/static and may change based on CCDPH's COVID-19 data. Appropriate mobile vaccination equipment and appropriate vaccination storage needs to be planned for and provided by the vendor.
- e. Conduct pre-clinical planning and clinical operations for mobile vaccination clinics. This includes but is not limited to:

- 1 Coordinate a planning meeting with the host site to discuss clinic planning and operations, as needed.
 - 2 Participate in regular (weekly or monthly TBD by CCDPH) check-ins with CCDPH mobile team.
 - 3 Coordinate a site walk-through of community facility.
 - 4 Provide host site with all required paperwork in languages needed by participants (e.g. consent forms, registration link/form, etc.).
 - 5 Collect and review all clinic registrations prior to clinic start.
 - 6 Bring all clinical staff, vaccine, and vaccine supplies to support vaccination.
 - 7 Operate the mobile/pop-up vaccination clinic.
 - 8 Set-up the clinical space at the mobile/pop-up vaccination clinic.
 - 9 Collect and review completed consent forms.
 - 10 Address any questions about the vaccine and vaccine safety.
 - 11 Administer vaccine to clients.
 - 12 Observe clients for adverse reactions.
 - 13 Dispose of all vaccine supplies in a proper manner.
 - 14 Ensure setup of 2nd dose, additional dose, and booster appointments, as needed.
 - 15 Request vaccine from CCDPH or I-CARE at least 7 days before the scheduled vaccination clinic.
 - 16 Coordinate Vaccine Pick up with CCDPH staff, if needed.
 - 17 Report all vaccinations into I-CARE.
 - 18 Provide all vaccinated individuals with proof of vaccination (usually CDC vaccination card).
 - 19 Complete CCDPH survey with information about scheduled clinics.
 - 20 Complete CCDPH survey with data regarding the numbers of vaccines administered.
- f. Support outreach, promotion, and community mobilization / planning in partnership with host site, community partners, and CCDPH. You will work with CCDPH, CCDPH contractors, and CCDPH community partners including community-based organizations to plan for and promote scheduled vaccination clinic events.
- g. This includes but is not limited to:
- 1 Share education and information on COVID-19 vaccine with your host sites.
 - 2 Mobile providers will provide a 30-60 minutes virtual (or in-person) education session / Q&A prior to clinic and onsite during clinic operations.
 - 3 Coordinate with CCDPH to access resources that will help increase awareness and educate on the COVID-19 vaccine.

B. General Specifications/Minimum qualification

- 1 IDPH approved COVID-19 vaccine provider
- 2 Current mobile provider in Chicago and/or suburban Cook County
- 3 Ability to provide all clinic operation planning and be flexible to scale up and down
- 4 Experience working within suburban Cook County, including experience collaborating with community-based organizations and providing care for hard-to-reach populations in this region.

- 5 Program Activities Vendor(s) must provision mobile clinics inclusive of all equipment, materials and supplies and staff, including provision of sufficient staffing of clinical and non-clinical roles to operate mobile point of dispensing sites (PODs) and vaccination strike teams, including healthcare providers licensed or authorized by law in the State of Illinois with a Scope of Practice/approved Expanded Scope of Practice to deliver the vaccines to meet surge demands. All services are to be provided under the continuous and direct supervision by the vendor(s), and COVID-19 vaccine will be administered using only information, documentation, training and directions provided by CCDPH.
- 6 Experience handling vaccine products according to manufacturer, state, and federal requirements.
- 7 Be able to obtain personal protective equipment (PPE), tents, tables, coolers, and other necessary supplies to operate vaccine administration sites.
- 8 Address how they will manage the 2-shot requirement of some COVID vaccines, additional doses, and booster doses and the mechanisms they will use to notify and recall clients to return for the second dose.
- 9 Address how they will accommodate high vaccination volumes and minimize wait times at administration sites.
- 10 Adhere to all manufacturer, state and federal requirements for vaccine storage (including maintaining temperature requirements), handling, preparation, and administration.
- 11 Employ strategies to prevent loss or wasting of vaccine stock, and must report loss or wasting of vaccine stock to I-CARE.
- 12 Record each vaccine administered within 24 hours of administration.
- 13 Supply documentation of vaccination to each person that is vaccinated.
- 14 Complex operational management
- 15 Clinical coordination
- 16 Infection control

C. Roles/Responsibilities of CCDPH

- 1 Promote mobile vaccination resources to community partners and leaders.
- 2 Review the Mobile Vaccination Request Form and assign to a mobile vaccine provider partner.
- 3 Participate in planning meeting with host site/community partner and vaccine provider partner to review clinic planning and operations.
- 4 Confirm an initial assessment of each site (onsite or remotely) that is coordinated by the mobile provider.
- 5 Coordinate with mobile provider and host site any activities around vaccine education and awareness, as discussed with the organization hosting the mobile vaccine strategy.
- 6 Notify stakeholders of vaccine allocations and possible limitations with vaccine supply at least 3 days prior the vaccination site opening date.
- 7 Ensure that providers will bring all medical/vaccination staff, vaccine, and vaccine supplies to support vaccination.
- 8 Support coordination with local elected officials and local law enforcement to ensure staff and client safety, as needed.
- 9 Ensure pathway for follow up to setup 2nd dose appointments (and possibly additional doses and booster doses) as needed.

D. Deliverables

- 1 Complete 10 full day or 20 half day clinics per month in assigned municipalities between 3/1/22 - 12/31/22.
- 2 Complete a minimum of five 30-60 minutes virtual (or in-person) education session / Q&A prior to clinic.
- 3 Report all scheduled clinics to provided CCDPH survey as scheduled (at minimum weekly).
- 4 Report all completed clinics to provided CCDPH survey within 24-48 hours of clinic completion.
- 5 Report all vaccinations given in mobile clinics within 24 hours to I-CARE.
- 6 Participate in regular (weekly or monthly TBD by CCDPH) check-ins with CCDPH mobile team.

B. Right to Inspect

CCH reserves the right to inspect and investigate thoroughly the establishment, facilities, equipment, business reputation, and other qualification of the Applicant and any proposed subcontractors and to reject any Application regardless of price if it shall be administratively determined that in CCH's sole discretion the Applicant is deficient in any of the essentials necessary to assure acceptable standards of performance. CCH reserves the right to continue this inspection procedure throughout the life of the Contract that may arise from this RFQ.

C. Consideration for Contract

Any proposed contract including all negotiations shall be subject to review and approval of CCH management, CCH Legal and CCH's System Board. CCH shall secure appropriate reviews and may approve the proposed Contract for execution in its sole discretion; proposed Contracts are also subject to review by the Cook County Office of Contract Compliance.

6. Instructions to Applicants

The instructions to **Applicants** contain important information and should be reviewed carefully prior to submitting the Required Application Content. Failure to adhere to the procedures set forth in these instructions, failure to provide positive acknowledgement that the Applicants will provide all services and products or failure to provide acceptable alternatives to the specified requirements may lead to disqualification of the submitted Application.

6.1 Questions and Inquiries

Questions regarding this RFQ will be submitted in writing to the contact(s) email listed on the cover page of this RFQ no later than the date stated in the Schedule.

6.2 Time for submission

Applications shall be submitted no later than the date and time indicated on the cover page of this RFQ.

6.3 Cost of Applicant Response

All costs and expenses in responding to this RFP shall be borne solely by the Applicant regardless of whether the Applicant's Application is eliminated or whether CCH selects to cancel the RFQ or declines to pursue a Contract for any reason. The cost of attending any presentation or demonstration is solely the Applicant's responsibility.

6.4 Applicant's Responsibility for Services Proposed

The Applicant must thoroughly examine and read the entire RFQ document. Failure of Applicants fully to acquaint themselves with existing conditions or the amount of work involved will not be a basis for requesting extra compensation after the award of a Contract.

6.5 RFQ Interpretation

Interpretation of the wording of this document shall be the responsibility of CCH and that interpretation shall be final.

6.6 Errors and Omissions

The Applicant is expected to comply with the true intent of this RFQ taken as a whole and shall not avail itself of any errors or omission to the detriment of the services or CCH. Should the Applicant suspect any error, omission, or discrepancy in the specifications or instructions, the Applicant shall immediately notify CCH in writing, and CCH will issue written corrections or clarifications. The Applicant is responsible for the contents of its Applications and for satisfying the requirements set forth in the RFQ. Applicant will not be allowed to benefit from errors in the document that could have been reasonably discovered by the Applicant in the process of putting the Application together.

6.7 Application Material

The Application material submitted in response to the RFQ becomes the property of CCH upon delivery to the Supply Chain Management Office and may become part of a Contract.

6.8 Confidentiality and Response Cost and Ownership

All information submitted in response to this RFQ shall be confidential until CCH has executed a Contract with the successful Applicant or has terminated the RFQ process and determined that it will not reissue the RFQ in the near future. Following such actions, the contents of Applications submitted in response to this RFQ may be disclosed in response to requests made pursuant to the provisions of the Illinois Freedom of Information Act ("FOIA"). If a Applicant wishes to preserve the confidentiality of specific proprietary information set forth in its Application, it must request that the information be withheld by specifically identifying such information as proprietary in its Application. CCH shall have the right to determine whether it shall withhold information upon receipt of a FOIA request, and if it does so pursuant to an Applicant request, the Applicant requesting confidential treatment of the information shall bear the costs of asserting that there is a proper exemption justifying the withholding of such information as proprietary in any court proceeding which may result. This notwithstanding, Applicant is on notice that the CCH is subject to the FOIA and that any documents submitted to the CCH by the Applicant may be released pursuant to a request under the FOIA.

6.9 Awards

CCH may, at its discretion evaluate all responsive Applications. CCH reserves the right to make the award on an all or partial basis or split the award to multiple Applicants based on the most qualified Applicants and in the best interest of CCH meeting the specifications, terms and conditions. If a split award impacts the outcome of the project it must be so stated in the Application.

6.10 CCH Rights

CCH reserves the right to reject any and all offers, to waive any informality in the offers and, unless otherwise specified by the Applicant, to accept any item in the offer. CCH also reserves the right to accept or reject all or part of your Application, in any combination that is in the best interest of CCH.

6.11 Cancellation of RFQ; Requests for New or Updated Applications

CCH, in its sole discretion, may cancel the RFQ at any time and may elect to reissue the RFQ later. CCH may also issue an Addendum modifying the RFQ and may request supplemental information or updated or new Applications.

7. Special Conditions

The Special Conditions contain additional information and should be reviewed carefully prior to submitting the Required Application. Failure to adhere to the Special Conditions set forth in these instructions, failure to provide positive acknowledgement that the Applicants will provide all services and products or failure to provide acceptable alternatives to the specified requirements may lead to disqualification of the submitted Application

7.1 Minority Owned Business Enterprise / Women Owned Business Enterprise Ordinance

Consistent with Cook County, Illinois Code of Ordinances (Article IV, Division 8, Section 34-267), CCH has established a goal that MBE/WBE firms retained as subcontractors receive a minimum 25% MBE and 10% WBE of this procurement. **The office of Contract compliance is recommending that the MBE/WBE goal for the above-referenced project be set at 35% overall M/WBE Participation.**

The proposer shall make good faith efforts to utilize MBE/WBE certified firms as subcontractors. In the event that the proposer does not meet the MBE/WBE participation goal stated by CCH for this procurement, the proposer must nonetheless demonstrate that it undertook good faith efforts to satisfy the participation goal. Evidence of such efforts may include, but shall not be limited to, documentation demonstrating that the proposer made attempts to identify, contact, and solicit viable MBE/WBE firms for the services required, that certain MBE/WBE firms did not respond or declined to submit proposals for the work, or any other documentation that helps demonstrate good faith efforts. Failure by the proposer to provide the required documentation or otherwise demonstrate good faith efforts will be taken into consideration by CCH in its evaluation of the proposer's responsibility and responsiveness.

7.2 Insurance Requirements

Contractor will maintain, at Contractor's sole cost and expense and in full force and effect, for the Term at least the following insurance, through policies with reputable and financially sound insurance organizations or through a program of self-insurance acceptable to CCH, to cover loss and damage arising from the furnishing of Services and Deliverables (collectively, "Contractor-Required Insurance"):

Budget Details: Instruction

Grant funds must be used to support program activities. Below are the line items that can be included in your proposed quote. See Budget Detail section above required for the Quote for the details that need to be provided for each line item.

- A. **Salary & Wages:** Include staff time supporting program activities during project period. Consider covering a percent time of existing staff, given the short project period.
- B. **Supplies:** Include costs for supplies that support program activities (e.g., computers, printers, computer software and applications, educational materials, and general office supplies).
- C. **Travel:** Include costs for local travel during project period if this is applicable to your respective community support. Travel mileage reimbursement rate is \$0.56 per mile per federal reimbursement rates established for calendar year 2021 (<https://www.gsa.gov/travel/plan-book/transportation-airfare-pov-etc/private-owned-vehicle-mileage-reimbursement-rates>).
- D. **Contractual Costs:** Include costs for work performed by an independent contractor requiring specialized knowledge, experience, expertise or similar capabilities or a product or service to be procured by contract and an estimate of cost. A contractor's role is generally to evaluate the client's needs and perform the work.
- E. **Equipment:** Include costs of any item of property that has a per unit acquisition cost of \$5,000 or more and has an expected service life of more than one year.
- F. **Other:** Include costs associated with your activities not covered in other categories.
- G. **Indirect costs:** Capped at 10% of direct costs.
