1. Hospital System Background

The Cook County Health (CCH) is a unit within Cook County government. CCH provides a full continuum of health care services through its seven operating entities, referred to as System Affiliates. System Affiliates provide a broad range of services from specialty and primary care to emergency, acute, outpatient, rehabilitation and preventative care. CCH services are offered without regard to a patient’s economic status or ability to pay.

CCH operates John H. Stroger, Jr. Hospital of Cook County (JHSH), Provident Hospital of Cook County, and Ambulatory and Community Health Network (a system of fifteen clinics), the Cook County Department of Public Health, Cermak Health Services of Cook County (a health facility operated within the confines of the Cook County Department of Corrections), and the Ruth M. Rothstein Core Center. The System also operates County Care, a Medicaid managed care health plan for low-income adults established under the Affordable Care Act.

The Cook County Department of Public Health (CCDPH) is the local health department certified by the Illinois Department of Public Health (IDPH) with jurisdiction throughout suburban Cook County covering over 700 square miles. While Evanston, Skokie, Stickney, and Oak Park are served by their own IDPH-certified local health departments, these communities will be included as part of the focus area of this grant. The CCDPH provides public health services to over 2.2 million residents of suburban Cook County.

2. Purpose

487 residents of suburban Cook County died of an opioid-involved overdose 2020. This represents a 36% increase from the previous year and mirrors a nationwide trend as the United States reported record-breaking overdose death counts for 2020. The Behavioral Unit at Cook County Department of Public Health is committed to preventing opioid-involved overdose deaths and promoting access to substance use services and treatment across Cook County, including widespread, low-cost access to the overdose reversal medication naloxone.

We are looking for an organization to conduct a landscape analysis of barriers to expanded community-distribution of naloxone by CBOs. This can include but is not limited to: identifying successes and challenges for current Drug Overdose Prevention Programs (DOPPs); assessing liability concerns for prospective DOPPs; identifying logistics challenges for both current and prospective DOPPs; identifying data collection & reporting challenges for current and prospective DOPPs; and assessing staff discomfort with substance use-related topics and interventions.

For each subcontractor, provide the name of the firm(s), brief company background, level of participation, MBE or WBE if applicable, the type of services each resource, from each firm, will provide. For each MBE/WBE certified firm proposed, provide the appropriate information in the MBE/WBE Utilization Plan (Attachment A).

A. It is the policy of the County of Cook to prevent discrimination in the award of or participation in County Contracts and to eliminate arbitrary barriers for participation in such Contracts by local businesses certified as a Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) as both prime and sub-contractors. In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes annual goals for MBE and WBE participation as outlined below:

Contract Type	Goals	
	MBE	WBE
Goods and Services	25%	10%
Construction	24%	10%
Professional Services	35% Overall	

- B. **The County may set contract-specific goals, based on the availability of MBEs and WBEs that are certified to provide commodities or services specified in this solicitation document. The MBE/WBE participation goals for each Contract are stated in the Special Conditions.** A Bid, Quotation, or Submittal shall be rejected if the County determines that it fails to comply with this General Condition in any way, including but not limited to: (i) failing to state an enforceable commitment to achieve for this contract the identified MBE/WBE Contract goals; or (ii) failing to include a Petition for Reduction/Waiver, which states that the goals for MBE/WBE participation are not attainable despite the Bidder or Respondent Good Faith Efforts, and explains why. If a Bid, Quotation, or Submittal is rejected, then a new Bid, Quotation, or Submittal may be solicited if the public interest is served thereby.

Consistent with Cook County, Illinois Code of Ordinances (Article IV, Division 8, and Section 34-267), and CCH has established a goal that MBE/WBE firms retained as subcontractors receive a minimum 35% MBE/WBE of this procurement. **The Office of Contract Compliance has determined that the participation for this specific contract is 35% MBE/WBE participation.**

The Respondent shall make good faith efforts to utilize MBE/WBE certified firms as subcontractors. In the event that the Respondent does not meet the MBE/WBE participation goal stated by CCH for this procurement, the Respondent must nonetheless demonstrate that it undertook good faith efforts to satisfy the participation goal. Evidence of such efforts may include, but shall not be limited to, documentation demonstrating that the Respondent made attempts to identify, contact, and solicit viable MBE/WBE firms for the services required, that certain MBE/WBE firms did not respond or declined to submit submittals for the work, or any other documentation that helps demonstrate good faith efforts. Failure by the Respondent to provide the required documentation or otherwise demonstrate good faith efforts will be taken into consideration by CCH in its evaluation of the Respondent's responsibility and responsiveness.

The Chief Procurement Officer reserves the right to accept or reject any of the team members if in The Chief Procurement Officer's sole opinion replacement of the team member, based on skills and knowledge, is in the best interest of the County.

5.5 Financial Status

- A. Provide the audited summary financial statements for the last two fiscal years. State whether the Respondent or its parent company has ever filed for bankruptcy or any form of Reorganization under the Bankruptcy Code, and, if so, the date and case number of the filing.

or is proposing alternate language, it shall include the language for consideration by submitting the proposed redlines on the sample Contract General Terms and Conditions document. CCH will not consider any exceptions or proposed alternate language to the Contract General Terms and Conditions if the Respondent does not include these objections or alternate language with the submittal. CCH shall not be deemed to have accepted any requested exceptions by electing to engage a Respondent in negotiations of a possible Contract.

5.8 Legal Actions

Provide a list of any pending litigation in which the Respondent may experience significant financial settlement and include a brief description of the reason for legal action.

If no Legal actions are identified, simply state “[Company X] has no pending legal actions in which our firm will experience any significant impact to this Contract.”
