1. Hospital System Background

The Cook County Health (CCH) is a unit within Cook County government. CCH provides a full continuum of health care services through its seven operating entities, referred to as System Affiliates. System Affiliates provide a broad range of services from specialty and primary care to emergency, acute, outpatient, rehabilitation and preventative care. CCH services are offered without regard to a patient's economic status or ability to pay.

CCH operates John H. Stroger, Jr. Hospital of Cook County (JHSH), Provident Hospital of Cook County, and Ambulatory and Community Health Network (a system of fifteen clinics), the Cook County Department of Public Health, Cermak Health Services of Cook County (a health facility operated within the confines of the Cook County Department of Corrections), and the Ruth M. Rothstein Core Center. The System also operates County Care, a Medicaid managed care health plan for low-income adults established under the Affordable Care Act.

The Cook County Department of Public Health (CCDPH) is the local health department certified by the Illinois Department of Public Health (IDPH) with jurisdiction throughout suburban Cook County covering over 700 square miles. While Evanston, Skokie, Stickney, and Oak Park are served by their own IDPH-certified local health departments, these communities will be included as part of the focus area of this grant. The CCDPH provides public health services to over 2.2 million residents of suburban Cook County.

2. Purpose

An estimated 1 in 5 Americans live with some form of mental illness in any given year, and there are only enough mental health care professionals available across the country to meet roughly 26% of the need for services. Prior to the COVID-19 pandemic in 2020 it was estimated that only 23.3% of the mental health needs of Illinoisans could be met with the behavioral health workforce at that time. Since 2020, the community need for behavioral health services and demand for behavioral health professionals has only grown. Despite increases in funding for behavioral health services at the federal, state, and local level to provide evidence-based mental health services, there is a shortage of behavioral health professionals to provide them.

CCDPH is looking for an organization to conduct a Cook County-wide, including Suburban Cook County, behavioral health workforce assessment to obtain a deeper understanding of the shortage of behavioral health workers in Cook County and to recommend solutions to grow, strengthen, and diversify the behavioral health workforce in Cook County over the long term. This includes but is not limited to identifying existing organizations working in this space, convening a Cook County-wide Behavioral Health Workforce Steering Committee, conducting a Cook County-wide behavioral health workforce analysis and needs assessment, and developing strategic plan framework and fundraising strategy.

a. Term of Services

The term of services for the awarded Contract shall be for twelve (12) months.

It is the policy of the County of Cook to prevent discrimination in the award of or participation in County Contracts and to eliminate arbitrary barriers for participation in such Contracts by local businesses certified as a Minority Business Enterprise (MBE) and Women-owned Business Enterprise (WBE) as both prime and sub-contractors. In furtherance of this policy, the Cook County Board of Commissioners has adopted a Minority- and Women-owned Business Enterprise Ordinance (the "Ordinance") which establishes annual goals for MBE and WBE participation as outlined below:

Contract Type	Goals	
	MBE	WBE
Goods and Services	25%	10%

If a Bid, Quotation, or Submittal is rejected, then a new Bid, Quotation, or Submittal may be solicited if the public interest is served thereby.

Consistent with Cook County, Illinois Code of Ordinances (Article IV, Division 8, and Section 34-267), and CCH has established a goal that MBE/WBE firms retained as subcontractors receive a minimum 35% MBE/WBE of this procurement. **The Office of Contract Compliance has determined that the participation for this specific contract is 35% MBE/WBE participation.**

The Respondent shall make good faith efforts to utilize MBE/WBE certified firms as subcontractors. In the event that the Respondent does not meet the MBE/WBE participation goal stated by CCH for this procurement, the Respondent must nonetheless demonstrate that it undertook good faith efforts to satisfy the participation goal. Evidence of such efforts may include, but shall not be limited to, documentation demonstrating that the Respondent made attempts to identify, contact, and solicit viable MBE/WBE firms for the services required, that certain MBE/WBE firms did not respond or declined to submit submittals for the work, or any other documentation that helps demonstrate good faith efforts. Failure by the Respondent to provide the required documentation or otherwise demonstrate good faith efforts will be taken into consideration by CCH in its evaluation of the Respondent's responsibility and responsiveness.

The Chief Procurement Officer reserves the right to accept or reject any of the team members if in The Chief Procurement Officer's sole opinion replacement of the team member, based on skills and knowledge, is in the best interest of the County.
